Overview

A MULTIDISCIPLINARY APPROACH

With wide-reaching healthcare industry experience, we work with physician practices, hospitals, clinical research organizations, healthcare consultants and veterinary practices in solving business problems and handling litigation. Our range of experience spans:

- Formation of physician practices and drafting of operating/partnership agreements
- Acquisition of physician practices
- Purchase or lease of physical plants
- Assisting with financing equipment and handling warranty litigation
- Negotiating borrowing facilities and defending litigation involving lender relationships
- Drafting/review of employment agreements and handling restrictive covenant litigation
- Minority shareholder freeze out litigation
- Defense of malpractice lawsuits
- Negotiation and litigation involving healthcare consulting contracts
- Litigation involving Master contracts and SOWs
- Employment practices advice and employment litigation

With a focus on your objectives and budget, we provide effective, efficient solutions to advance your business.

EXPERIENCE

- Significant jury verdict on behalf of a client in the health services industry who sought damages for fraud in the inducement in connection with the purchase of a medical practice.
- Obtained a defense verdict on behalf of an imaging center in a medical malpractice action in which the radiologist admitted liability for missing a brain tumor on an MRI scan.
- Restructured multi-loan portfolio for regional bank to medical care provider.
